

# YMCA Winter Day Camp General Information

Our camp has always offered great community experiences and the chance for children to grow and explore in a safe environment.

## Medications

If you are sending medications to camp with your child, please make sure they are clearly labeled with the camper's name, a doctor's name, and instructions. A permission slip should be sent granting the YMCA staff permission to administer the medication. All medications need to be given to a camp staff member at the time of arrival. Medications will be kept behind the membership service desk and will be administered by a counselor.

## Photographs

Any photo's taken of your child while participating at camp become the property of the Moose Jaw Family YMCA, and may be used for promotional purposes. If you or your family wishes otherwise, please notify the YMCA camp staff and check the appropriate box on the registration form.

## Sign in and out procedures.

We believe the following policy ensures the safe arrival and departure of your children at the YMCA. We ask for your assistance and cooperation in helping make the YMCA winter camp safe for all children.

### **Sign in**

Upon arrival at day camp it is important that staff on duty know that your child(ren) has arrived. **Please take your** child(ren) to the registration table and sign them in. Each morning your child(ren) must pick up their name tag from that table. Located on the back of the name tag is vital information such as allergies, contact and pick-up information. Please be sure the information is correct. Campers must wear their nametag at all times!

### **Sign out**

At the end of the day it **is very important that you personally pick up your child(ren)** and that the staff on duty is aware that you and your child are leaving. On your registration form you will have appointed an authorized individual to pick up your child(ren) from camp in your absence. This is the only person we will send your child home with. Photo I.D. will be required.
